GENDER ACTION

Gender equality in the
ERA Community To Innovate
policy implementation

**Working together to harness
national efforts and advance
the implementation of gender
equality policies in research
and innovation in Europe.**

Project duration 1st April 2017–31st March 2021

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 741466.

Disclaimer – The views and opinions expressed in this document are solely those of the project, not those of the European Commission. The European Commission is not responsible for any use that may be made of the information it contains.

GENDERACTION is an innovative policy community. We aim to address gender imbalances in R&I and advance the implementation of the gender priority in the European Research Area, by translating national equality legislation into effective action. We bring together representatives appointed by national authorities in Member States and Associated Countries to foster policy coordination, best practice exchange and mutual learning.

PROJECT ACTIVITIES

GENDERACTION will

- Map and analyse Members States' progress towards implementation of gender equality in R&I through national ERA action plans and strategies
- Deliver training events to build consistent and professional capacity in gender equality in R&I among responsible national representatives and Horizon 2020 National Contact Points
- Provide mutual learning opportunities to maximize existing experience among policy makers and other relevant stakeholders
- Prepare policy briefs on advancing gender equality in the ERA
- Build new collaborations to advance gender equality in international cooperation in science, technology and innovation.
