

Conference on "Structural Gender Change at Universities and Research Funding Organisations". 16 November 2018

An event of the European H2020 Project SUPERA: Supporting the Promotion of Equality in Research and Academia.

Discussing the challenge of gender equality in research, innovation and Higher Education is the Conference's aim. The Conference's programme will explore the commitments of European research policies on gender equality, approach key aspects for achieving real equality in our institutions, and identify how gender stereotypes and biases affect the academic performance and grant applications evaluation.

Date: 16 November 2018 (9.30 h – 14.30 h)

Venue: Ministry of Science, Innovation and Universities.

[Paseo de la Castellana, 162](#), 28046 Madrid
